19" Rackmount Cable Manager - stay organized and preserve equipment

Cable management is the key to gaining order in your network or server racks. The Intellinet Network Solutions 19" Cable Management Panel achieves optimal organization and ensures the best airflow to your equipment. This system employs cable strain relief for increased longevity of your server and networking equipment.

Features:

- Designed for 19" rack installation
- 2U installation height
- Front-panel fingers and rear pass-through holes to easily separate and route cables
- Removable cover to quickly add or remove bundled cables
- Cable-strain relief for increased longevity of server and networking equipment interfaces
- Suitable for network and server cabinets as well as 2- & 4-Post Open Frame Racks
- Durable steel construction
- Three-year warranty

Specifications:
