## Overview

The NZXT Zone Elite mousepad features a speed-optimized, ultra-smooth surface paired with a soft foam base for enhanced control and comfort. Reinforced low-profile stitching and a spill-resistant coating ensure long-lasting performance.

- **Nano-Knit Fabric:** Ultra-smooth surface delivers a fast, effortless glide with subtle texture for precise control.
- **Soft Foam Base:** Adapts to pressure for improved stopping power and control while providing cushioned support for your arm and wrist.
- **Secure Grip:** Textured underside prevents slipping or shifting, keeping the pad firmly in place during gameplay.
- **Spill-Resistant Coating:** Liquids bead on the surface for easy cleanup, protecting the pad and extending its lifespan.
- **Low-Profile Stitching:** Durable, reinforced edges prevent fraying while maintaining a smooth, comfortable feel.
- **Sensor-Friendly Logo:** Minimalist logo placement ensures consistent mouse tracking without interference.

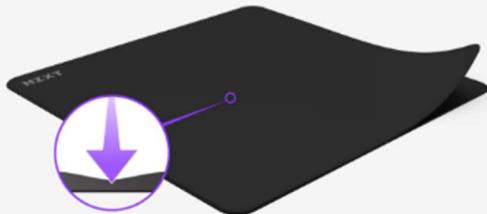

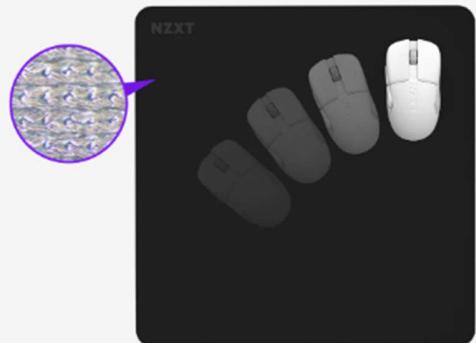

## Glide faster. Track smoother.

Take your gameplay to the next level with a speed-optimized surface and a durable, comfortable design.

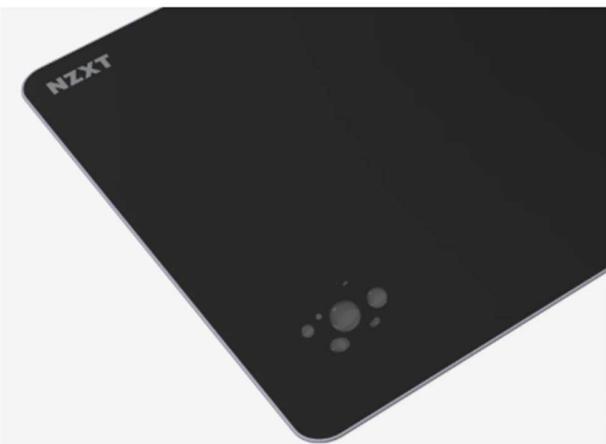

### Nano-Knit Cloth Surface

Optimized for fast mouse movements, the ultra-smooth fabric ensures an effortless glide with subtle texture for precision.

### Cushioned Control

Soft foam base adapts to pressure, enhancing control and stopping power while providing supportive comfort.

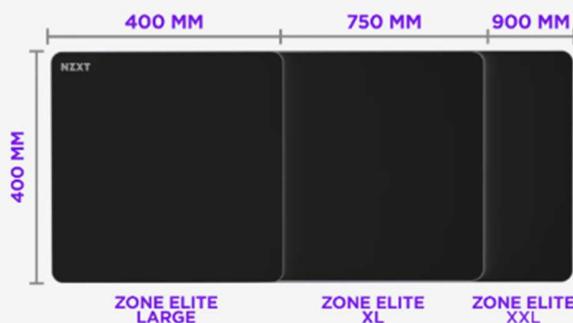

## Spill-Resistant Coating

Designed to bead away liquids and prevent absorption, making cleanup easy.

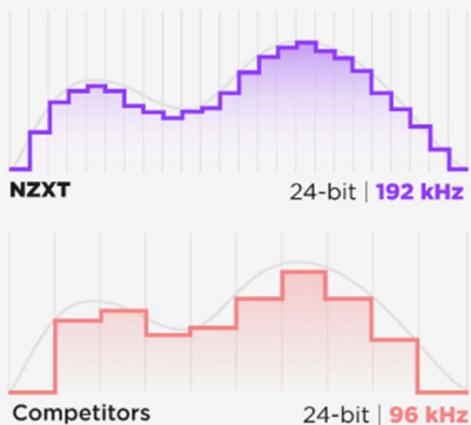

## Low-Profile Stitching

Prevents frayed edges and increases durability while staying gentle on your wrist and arm.

## Fit to Your Space

Choose from three sizes to find the ideal mouse pad for your gaming setup.

## Ultra-High Resolution

24-bit depth and an exceptional 192 kHz sample rate reproduce your voice with lifelike precision and studio-grade clarity.
