

# ELITE 502

The Elite 502 delivers exceptional cooling and performance with its advanced mesh front panel for enhanced airflow. Designed for mid-to-entry-level builders, it supports up to a 420mm radiator, 410mm GPUs, and modern back-connector motherboards, offering a streamlined and efficient building experience at an accessible price.

## FEATURES

### BACK-CONNECTED MOTHERBOARD SUPPORT

Supports back-connected motherboard design, freeing up space at the front of the case and providing 33-35mm of space behind the motherboard tray for easier cable management.

### OPTIMIZED AIRFLOW

Equipped with three 120mm ARGB fans, it offers stable cooling performance while adding stunning lighting effects to your build.

### ROOM FOR UPDATES

Supports a 410mm GPU, a 170mm CPU cooler, and ample space for future hardware upgrades.

### VERSATILE THERMAL OPTIONS

Supports up to seven 120mm fans and either a top-mounted 360mm radiator or a front-mounted 420mm radiator, offering hyper-effective CPU thermal performance.

### REMOVABLE HDD CAGE

The HDD cage is completely removable, providing better access during assembly and system upgrades.

### USB TYPE-C SUPPORT

USB Type C port built into the I/O panel allows multi-purpose, streamlined data transmission.

# SPECIFICATIONS

<b>Product Name</b>	ELITE 502	ELITE 502 White
<b>Product Number</b>	E502-KGNN-S00	E502-WGNN-S00
<b>Color</b>	Black	White
<b>Material</b>	<b>Exterior</b>	Steel
	<b>Side Panel (Right)</b>	Steel
	<b>Side Panel (Left)</b>	TG
<b>Dimension (L x W x H)</b>	<b>Incl. Protrusions</b>	474 x 230 x 481 mm
	<b>Excl. Protrusions</b>	435 x 230 x 465 mm
<b>Volume (Liters Incl. Protrusions)</b>	49.73 L	
<b>Motherboard Support</b>	ITX / Micro ATX / ATX (Supporting Back-connector Motherboard) / E-ATX (*up to 12" x 10.9" / 30.5cm x 27.7cm motherboards, may impact cable management)	
<b>Expansion Slots</b>	7	
<b>Drive Bays</b>	<b>5.25" ODD</b>	N/A
	<b>3.5" HDD</b>	2
	<b>2.5" SSD</b>	2 (Max.6)
<b>IO Panel</b>	<b>USB Ports</b>	USB 3.2 Gen 1 Type A x 1 / USB 3.2 Gen 1 Type C x 1
	<b>Audio In / Out 3.5 mm</b>	3.5 mm Combo x 1
<b>Fan Support</b>	<b>Front (Filtered)</b>	140 mm x 3 / 120 mm x 3
	<b>Top (Filtered)</b>	140 mm x 2 / 120 mm x 3
	<b>Rear</b>	120 mm x 1
<b>Preinstalled Fan(s)</b>	<b>Front</b>	120 mm x 3 ARGB
	<b>Top</b>	N/A
	<b>Rear</b>	N/A
<b>Radiator Support</b>	<b>Front</b>	120 / 140 / 240 / 280 / 360 / 420 mm (Limit: 457*140*27 mm)
	<b>Top</b>	120 / 140 / 240 / 280 / 360 mm
	<b>Rear</b>	120 mm
<b>Clearances</b>	<b>CPU Cooler</b>	170 mm
	<b>Power Supply</b>	170 / 210mm (w/o HDD Cage)
	<b>Graphics Card (installed 3.5" HDD BRK)</b>	360 / 410 mm (w/o front radiator)
<b>Cable Routing</b>	<b>Behind MB Tray</b>	33 – 35 mm
<b>Dust Filters</b>		Top / Front / Bottom
<b>Power Supply Support</b>		ATX
<b>Warranty</b>		2 years
