

ELITE 302

High in value and attention to detail, Cooler Master's Elite 302 offers users a cost effective, space conscious solution to gaming and computing needs.

Elite 302 features a large intake grill and 3x 120mm ARGB fans to ensure a smooth, and efficient running system. The fully black coating and included PSU cover allows for clean builds that are visually appealing as well as functional.

FEATURES

TOOL-LESS INTAKE PANEL

Constructed with a substantially large, unrestricted intake grill to ensure that the system runs cool and efficiently. The front panel could be easily removed by magnets, making it easier for daily maintenance.

UNRESTRICTED AIR FLOW

Pre-installed with 3x 120mm ARGB fans, providing considerable airflow and adds a layer of style to the system.

LARGE SUPPORT, MINIMIZED FOOTPRINT

Despite its compact size, Elite 302 supports up to 365mm graphics cards, 163.5mm CPU Coolers, providing solid potential for future upgrades.

VERSATILE THERMAL OPTIONS

Supports up to six fans and 280/360mm radiator to ensure that performance is not compromised.

BREATHABLE POWER SUPPLY SHROUD

The PSU cover is ventilated on top of the power supply location, allowing actively cooled units to be installed in multiple orientations, while maintaining support for passively cooled power supplies.

USB TYPE-C SUPPORT

USB Type C port built into the I/O panel allows multi-purpose, streamlined data transmission.

SPECIFICATIONS

Product Name		Elite 302	Elite 302 White
Product Number		E302-KGNN-S00	E302-WGNN-S00
Color		Black	White
Material	Exterior	Steel	Steel
	Side panel (Right / Left)	TG / Steel	TG / Steel
Dimension (L x W x H)	Ind. Protrusions	390 x 203.5 x 430 mm	
	Excl. Protrusions	377 x 203.5 x 410 mm	
Volume (Liters Incl. Protrusions)		34.13 L	
Motherboard Support		Micro-ATX / ITX	
Expansion Slots		4	
Drive Bays	5.25" ODD	N/A
