QUBE 540
Designed for Creative Flexibility

The QUBE 540 is a compact ATX case for modern home and work builds. Keeping the clean, geometric design of the QUBE series, it delivers flexible layout options that remove the limits of traditional case formats. Whether it's your home desktop rig, your creator editing setup, or your first-time DIY build, it naturally fits into your space and lifestyle.

The QUBE 540 offers full expansion support, including high-end GPUs and 360 mm liquid cooling. For even more personalization, you download official and community-developed 3D files to print accessories that match your setup. It is a practical, dependable, and stylish choice built to grow with your needs.

FEATURES

Compact Yet Capable
Its compact size fits comfortably in limited spaces, such as a bedroom desk or living room shelf. It supports everything from ITX to full-size E-ATX motherboards (up to 280 mm wide). Whether you're building a capable creative station or a powerful home rig, it's ready to do the job and adapt to your growing needs.

Flexible Orientation Design
The chassis supports vertical and horizontal orientation to suit different installation needs.

Vertical GPU Ready
Supports vertical GPU installation to highlight premium graphics and aesthetics.

Repositionable I/O Panel and Movable Handles
The I/O panel (2x USB 3.2 Gen1, 1x USB Gen2 Type-C, (audio combo jack) and the handles can be mounted on top, bottom, left, or right to keep ports accessible in any orientation.

Create Your Own Layout
The internal structure can be configured to suit different build styles that allow different airflow paths, power supply positions, and GPU orientations with ease. Whether for cooling optimization or hardware compatibility, the internal structure adapts to your style.

Modular Layout for Versatile Configurations
Repositionable components and flexible mounting options let you tailor internal layouts and case orientations to suit your build.

SPECIFICATIONS

Product Name		QUBE 540	
Product Number	Global	Q540-MGNN-S00	Q540-LGNN-S00
	Japan	Q540-MGNN-PSE	Q540-LGNN-PSE
Color		Stardust Iron	Moonstone
Material	**Exterior**	STEEL	
	Side Panel (Right)	STEEL	
	Side Panel (Left)	TG	
Dimension (L x W x H)	**Incl. Protrusions**	438.5 x 225 x 492.1 mm	
	Excl. Protrusions	425 x 225 x 425 mm
